A MESSAGE FROM OUR MANAGING DIRECTOR

“I would like to take a moment to thank all of our clients and constituents for entrusting Jakes Technical Resources Ltd., and myself, to provide them with our services and support. In an ever-changing environment and industry, adaptation and vision are required in order to compete at the highest industry levels and standards.

We believe in Nigeria’s wise leadership, aspirations and ever-growing industries. Like Nigeria, Jakes Technical Resources Ltd is backed by decades of industry knowledge, experienced personnel, and continued innovation.

By providing quality services, dedication to our clients, in tandem with the opportunities offered by Nigeria’s ever-growing industry and peoples, Jakes Technical Resources Ltd. is able to be a leading marine and engineering consulting company from within Nigeria and to the world”.

- ABU JOHNSON ABUDU

INTRODUCTION

Jakes Technical Resources Ltd. is a Nigeria-registered marine and offshore services company established in 2021, providing reliable, safe, and technically sound marine solutions to clients across the oil & gas, shipping, and marine sectors.

Headquartered at Port Harcourt, Rivers State, the company operates both locally and internationally, supporting coastal, offshore, and deepwater operations worldwide. Jakes Technical Resources Ltd. is committed to operational excellence, regulatory compliance, and customer satisfaction through experienced personnel, proven systems, and efficient marine assets.

VISION

To be a trusted global marine services provider recognized for safety, technical competence, and dependable offshore support solutions.

MISSION

To deliver safe, efficient, and cost-effective marine services by leveraging experienced management, skilled marine professionals, and internationally recognized operational standards.

An aerial, isometric view of a large offshore oil rig. The rig is a complex of steel structures, including a central derrick, various cranes, and a helipad with a yellow 'H' marking. The rig is set against a dark, deep blue background representing the ocean. The word 'SERVICES' is centered in white, bold, sans-serif font. Two vertical cyan lines with diamond-shaped ends extend from the top and bottom of the text, framing it.
